Situation as of 1106hrs on 2022-02-10

Event Overview:

- **No demonstrators** reported to be on **Parliament Hill** at this time.
- **No demonstrators on Wellington St. and in the downtown core.**
- OPS estimate that there **are 505 trucks in the downtown core.**
- CBSA has provided the following updates:
 - *Slow Roll at Ottawa International Airport:* As of 1020hrs, Ottawa Airport Security is reporting that the vehicles have left the airport and there were no impacts to operations other than congestion to vehicle traffic. Ottawa Airport Security reports that the incident is now considered over.
 - *Slow Roll Convoy in Windsor, ON:* As of 1002hrs, the protesters continue to block all the exits from the Ambassador Bridge coming into Canada. Furthermore, all entrances from the Canadian side which proceeded onto the Ambassador Bridge

that enter the US are now inaccessible due to the streets feeding the entrances within Windsor, ON are now blocked.

Operational Information:

- **Personal Info.** live streamed the airport slow roll on his Facebook page The **Personal Info.** CIG OSINT has reported the following key points from the video:
 - **Person** says “they should get some chicken feed and go to Sussex drive and lay down some chicken feed outside the gate, see if he comes outside”
 - A commenter suggests they slow roll schools and **Perso** says “there’s a good one we could go roll the schools”
 - **Perso** has announced they are going back to Coventry now. They will be doing something after lunch.
 - **Person** “We should maybe start rolling to the news outlets” “Lets roll to Coventry and make a plan”
 - **Perso** was approached by an officer who asked if she could speak to the organizer, he claims “everybody is doing it, nobody organized anything” [...] “They will go for lunch at like 1030 or something”.
- **Personal Info.** from the group FARFADAA has shared to his Facebook account that the group will be meeting at noon each day at their headquarters (Zibi parking lot).
- The FREEDOM CONVOY 2022 page share a video from the Facebook user **Pers** **Personal Info.**. In the video the individual reaffirms that the group is putting out misleading information to throw off law enforcement. CIG notes the following key points in this video:
 - “The convoy are switching out to slow rolls and mobile blockades. They’re being based outside the city rather than being stuck in here (downtown). And so causing trouble in other parts of the city. They’re a lot more difficult to deal with because they don’t know where they’re going to show up.”
 - “one of our leaders put up a tiktok saying we’re all packing up moving to Toronto. [...] we’re playing the game too. [...] there may be some validity to it. But it’s also possibly just another counter confusion operation from our leadership. They have a game plan”
